### **Old Business:**

**Fish Scales:** The club is going to purchase 9 or 10 new scales. Members were reminded to take care of the scales while out on the water by keeping the scales out of the hot sun or rain. It was recommended that you place the scale in a shady compartment. Check your scale when issued and identify bad scales to the tournament director the day of the tournament.

**RCBC Open:** The Open had 15 boats participating. The team of Parris Humm and Harry Thompson won with a weight of 18 lbs 11 oz. The runner up with just a little less weight was the team of Dave McCoy and Dave Greer. Participation was possibly limited by other tournaments taking place on the same day. It was discussed that we should try and schedule the RCBC Open around other tournaments next year.
