Other Discussions:

Possible Rule Changes: Although the Rule change meeting is still months away, members are asked to begin thinking about any possible rule changes they would like to see made to the RCBC rules. One topic of discussion included a "Minimum Threshold" for points for non-productive tournaments allowing 50 points for first, 48 points for second and 45 points for third for tournaments where the winning bag was less than the 50 points.

Possible Club Meeting at Okoboji: The regular RCBC meeting is scheduled one day after this tournament. A suggestion was made that we have our meeting during the tournament instead.

The RCBC Meeting was adjourned at 9:00 p.m.
