

March 2019 RCBC Monthly Meeting Minutes

Meeting held at Bass Pro Shops in Council Bluffs on Monday, 18 March 2019, at 7:30pm

Attendees: Dave McCoy, Doug Rishel, Dave Dust, Bill Lemieux, Bryan Adams, John Managanaro, Dan Radebaugh, Parris Humm, Tim McSorley, Brian Martin, and Donny Higgins

Finance: Redacted.

Federation News: Nothing new.

Marketing (Tim): Nothing new.

Old Business:

Annual Awards Banquet: The Annual Awards Banquet was held at Gorat's Steakhouse on 16 March. Those members not present at the banquet but were at the RCBC meeting received their just awards.

Nebraska State Tournament at Truman Reservoir 29 April – 3 May:

- There is still two openings for Team # 2. If you are interested please contact the team #2 Captain (Parris Humm) immediately.
- Lodging for Team 1 & 2 has been changed. Both teams will now be staying at the Sterett Creek Resort Motel, 18321 Marina Road, Warsaw Mo.

RCBC Tournament at Pom De Terre was cancelled (weather conditions) and will not be rescheduled

Other Items of Discussion:

Topic: Flood Victim relief: We discussed RCBC membership helping out flood victims. Consensus was that the club would not have any formal effort to help victims.

New Business:

RCBC Tournament: Big Creek IA

- Big Creek is about a 2 ½ hour drive from Council Bluffs so John Manganaro volunteered to arrange lodging but to do that we need a head count of those participating in this event.
- The following 13 people have indicated that they will be participating in this tournament:
 - David Dust, Donny Higgins, Tim McSorley, Ben Bukacek, Brian Martin, Dave McCoy, Doug Rishel, John Manganaro, Rich Purington, Bobby McKinney, Bryan Adams, Devin Knoblach and Nick Cline
- The actual boater non-boater decision and draw will take place during our April 15th meeting.

RCBC Open Tournament: 13 April: 12 Mile Lake

- Participation in this tournament has been capped at 30 boats. First come first served.
- Pre-registration is allowed. Contact Bill Lemieux or David Dust to pre-register.

Demonstration: David Dust demonstrated how to seamlessly attach a braided main line to a fluorocarbon leader using an FG Knot. Here is a link to get to it on the internet:
